FOR IMMEDIATE RELEASE

One-Way Traffic Control on Pacific Coast Highway (State Route 1) in Ventura County Starts Next Week

Only One Lane Will Be Available as Crews Work on Shoulder of Highway

VENTURA — Starting during the week of Oct. 29, the California Department of Transportation (Caltrans) will temporarily close one lane of Pacific Coast Highway (State Route 1) from 9 a.m. to 4 p.m. on weekdays between Emma Wood State Beach and Faria County Park in western Ventura County.

The daily closure is expected to begin approximately Tuesday (Oct. 31) or Wednesday (Nov. 1) and will continue for up to two weeks as crews work on the northbound shoulder of the two-lane highway. The schedule is weather-permitting and is subject to change.

During the closure, only one lane will be available for vehicles. One-way traffic control will be in effect between 9 a.m. and 4 p.m. Monday through Friday, with a flag crew directing traffic on an alternating basis. No closures are anticipated on weekends.

The work will consist of placing shoulder backing along the northbound side of Route 1. The work is part of a \$1.5 million pavement maintenance project. Toro Enterprises of Oxnard is the contractor.

Drivers are urged to allow extra travel time and exercise caution in work areas. Caltrans reminds drivers to “Be Work Zone Alert” and “Slow for the Cone Zone.”
